

SPECIFICATION

The Examiner has objected to the specification under 37 CFR 1.74 for failing to include a brief description of the drawings. Accordingly Applicant respectfully requests the addition of the following Brief Description of the Drawings before the line that reads "Summary of the Invention " on page 3 of the original specification:

Brief Description of the Drawings

FIG. 1 is an illustration of a cross-sectional view of a carrier.

FIG. 2 is an electric probe micro-analyzer (EPMA) image illustrating the surface characteristics of a carrier.
